

Introduction to Information Security

By Great Learning Academy

28/05/2020 (completed 6 videos)

The screenshot shows a web browser window displaying the Great Learning Academy course page. The browser's address bar shows the URL `olympus.greatlearning.in/courses/11264`. The page header includes the Great Learning logo, navigation links for Home, Live Sessions, and Certificates, and a 'My Courses' button with a user profile icon. The main content area is divided into two tabs: 'CONTENT' (selected) and 'ASSESSMENTS'. Under the 'CONTENT' tab, there is a section titled 'Learning Material' with a sub-header 'Stanford and Computer Security'. This section contains a list of four items, each with a play button icon, a title, a duration, and a green checkmark indicating completion:

- Intro to Stanford and Computer Security Field (4m)
- Computer Security - Its applications and its future (4m)
- Innovations In Cybersecurity - Quantum Computing (4m)
- What is the future of cryptography? (4m)

Below this, there is another section titled 'Introduction to Computer Security- Video Lessons' containing two items, each with a play button icon, a title, a duration, and a green checkmark:

- Introduction to Software Security Lesson 1 (1h)
- Introduction to Software Security Lesson 2 (1h)

The Windows taskbar is visible at the bottom of the screen, showing various application icons and the system clock displaying 12:27 PM on 28/05/2020.
