

Introduction to Information Security

By Great Learning Academy

26/05/2020 (completed 4 videos)

The screenshot shows a web browser window displaying the Great Learning Academy course page for 'Introduction to Information Security'. The URL in the address bar is olympus.greatlearning.in/courses/11264. The page features a header with the Great Learning logo and navigation links for Home, Live Sessions, and Certificates. A 'My Courses' button and a user profile icon are also present. The main content area includes a course banner with a person working on a laptop and the title 'Introduction to Information Security', marked as 'Course In Progress'. Below this, there are two tabs: 'CONTENT' (selected) and 'ASSESSMENTS'. Under the 'CONTENT' tab, the 'Learning Material' section lists four items under the heading 'Stanford and Computer Security':

- Intro to Stanford and Computer Security Field (Completed)
- Computer Security - Its applications and its future (Completed)
- Innovations in Cybersecurity - Quantum Computing (Completed)
- What is the future of cryptography? (4m, Completed)

Below these, the 'Introduction to Computer Security- Video Lessons' section lists one item:

- Introduction to Software Security Lesson 1 (1h, In Progress)

A blue circular button with an upward arrow is located at the bottom right of the page.
