

Introduction to Information Security

By Great Learning Academy

27/05/2020 (completed 5 videos)

The screenshot shows a web browser displaying the Great Learning Academy course page for 'Introduction to Information Security'. The URL in the address bar is 'olympus.greatlearning.in/courses/11264'. The page features a navigation bar with 'Home', 'Live Sessions', and 'Certificates' links, and a 'My Courses' button. The course title 'Introduction to Information Security' is prominently displayed, along with a 'Course In Progress' status. Below the title, there are two tabs: 'CONTENT' and 'ASSESSMENTS'. The 'CONTENT' tab is active, showing a list of learning materials. The first section is 'Stanford and Computer Security', which includes four items: 'Intro to Stanford and Computer Security Field' (4m), 'Computer Security - Its applications and its future' (4m), 'Innovations in Cybersecurity - Quantum Computing' (4m), and 'What is the future of cryptography?' (4m). The second section is 'Introduction to Computer Security- Video Lessons', which includes 'Introduction to Software Security Lesson 1' (1h). Each item has a play button icon and a green checkmark indicating completion. The Great Learning Academy logo is visible in the top left corner, and a Windows taskbar is at the bottom of the screen.
